NATIONAL CAP CERTIFIED POWERED ACCESS ENGINEER SALARY ENEGOTIABLE (DOE) + OVERTIME + COMPANY VAN + BENEFITS

Do you want to work for a fast-paced growing National company, with excellent career stability and progression prospects; where hard work is well rewarded?

We have a fantastic opportunity for a new National Powered Access Engineer, to work Nationally across the AFI depot network, working directly for our central Support Services department. As the role involves a lot of travelling, the ideal candidate would be based in a central location.

The role in brief:

- Working independently, travelling nationwide across our depot network undertaking specialist repairs, updates / bulletins and servicing.
- The role will involve a lot of travelling and nights away from home.
- As this is a high profile position within the depots, effective communication and a professional, presentable appearance are important.
- Training will be expected and encouraged to keep up to date with specialist machinery.

The ideal candidate:

- · You must hold a CAP licence.
- You must have experience within the powered access industry.
- You will have excellent problem solving skills and work well independently; with a mature attitude.
- You must be experienced in fault finding / diagnostics, with proven skills on Powered Access.
- You must be able to prioritise tasks and work on your own initiative.

AFI Group is a leading provider of access solutions, from the hire and purchase of access equipment, to accredited training and service / maintenance of machines. With a current network of 21 hire locations across the UK and over 5,000 machines, AFI has a strong emphasis on Health and Safety and is proud to hold various accreditations (ISO9001, ISO14001, ISO18001, 5* Achilles BuildingConfidence, Gold RoSPA award – to name a few).

We offer an excellent benefits package:

23 days holidays per year rising to 25, plus statutory holidays. • Inclusion in a monthly profit share scheme. • An auto-enrolment pension scheme with employer contributions. • Death-in-Service benefit of 2 x salary. • Paid Overtime. • Company Van. • Healthcare Cash Plan. In addition we have invested in an excellent induction programme, and staff training (we currently hold a Gold Investors in People award).
